

A CLOCKWORK ORANGE BY ANTHONY BURGESS

Anthony Burgess' literary masterpiece comes to New York from its award-winning production in London, where *The Stage* described it as "Stylish, stylised, and drenched in sweat, the show has a breathless, exhilarating energy!"

A CLOCKWORK ORANGE, according to production notes, "lures audiences into a glass-edged, testosterone-filled underworld of a dystopian future. The explosive story of little Alex and his rebellious gang of Droogs is a ground-breaking classic of orgiastic ultra-violence and sexuality. As hauntingly relevant today as when Burgess' book was published in 1962, and when Stanley Kubrick's ground-breaking film caused a stir in 1971, **A CLOCKWORK ORANGE** is an unapologetic celebration of the human condition."

"...with a charismatic swagger, the production sucks the audience in with an indie-pop soundtrack and a physical performance style that has an edgy contemporary punch."
(The Guardian)

NEW WORLD STAGES
340 West 50th Street (between 8th-9th Aves.)
New York, NY 10019

Groups 10+
Previews begin September 2, 2017
Opening Night September 25, 2017
Running Time 90 minutes, with no intermission
