# BEETLEJUICE

The Musical. The Musical. The Musical.

**“A JAW-DROPPING FUNHOUSE!”**

--*The New York Times*

Get ready to have some **“SCREAMINGLY GOOD FUN!”** (*Variety*)

It's showtime, folks! Based on Tim Burton's wonderfully demented film, this hilarious musical tells the story of Lydia Deetz, an odd and bizarre teenager whose life changes when she meets a recently deceased couple and Beetlejuice, a degenerate demon with a thing for stripes. When Lydia calls on Beetlejuice to scare away anyone with a pulse, this double-crossing spirit unleashes a world of pandemonium.

This “big, fantastical funhouse of Burtonesque Magic” (*People Magazine*) stars two-time Tony Award® nominee Alex Brightman (original *Beetlejuice*; *School of Rock*) as **BEETLEJUICE**. With an irreverent book, an astonishing set, and a score that's out of this Netherworld, the musical is “A FEAST FOR THE EYES AND SOUL!” (*Entertainment Weekly*). And under its uproarious surface (six feet under, to be exact), it's a touching show about family, love, and making the most of every Day-O!
