

EMOJILAND

T H E M U S I C A L

Welcome to a diverse community of archetypes who take one another at face value: a smiling face dealing with depression; a princess who doesn't want a prince; a skull dying for deletion; a nerd face too smart for his own good; a face with sunglasses who can't see past his own reflection; and a police officer and construction worker who just want to work together. When a software update threatens to destroy life as they know it, **EMOJILAND** faces the most fundamental questions a society – and a heart – can face: Who are we? And who matters?

An electric ensemble piece featuring an energetic pop score, the production enjoyed a sold-out run at the New York Musical Festival, where it was critically acclaimed by *The New York Times* as being “charmingly silly fun,” “politically resonant” and “a lesson for our time.”

EMOJILAND comes to Off-Broadway with a cavalcade of Broadway favorites, including George Abud (*The Band's Visit*), Felicia Boswell (*Motown*), Max Crumm (*Disaster!*, *Grease*) Ann Harada (*Avenue Q*, *Cinderella*), Josh Lamon (*The Prom*), Lesli Margherita (*Matilda*), Lucas Steele (*The Great Comet*), and Natalie Weiss (*Les Miz*, *American Idol*).

This “energetic little musical” ... “fizzes with rom-com effervescence“
