Harry Hadden-Paton

Tony Yazbeck

This new musical is inspired by the lives of three well-known gifted people—writer Aldous Huxley, playwright, diplomat and congresswoman Clare Boothe Luce and Hollywood leading man Cary Grant—each of whom experimented with the drug LSD. Set in the 1950s, this fictionalized account explores their coming together at a crossroads in their lives and, under the influence of the drug, confronting the mysteries of their lives and their world.

Portraying these characters are Tony Award® nominees Harry Hadden-Paton (*My Fair Lady*) as Huxley, Carmen Cusack (*Bright Star*) as Luce and Tony Yazbeck (*On the Town*) as Grant.

FLYING OVER SUNSET features a book and direction by multiple Tony Award® winner James Lapine (*Falsettos*, *Into the Woods*, *Passion*), music by Tony winner Tom Kitt (*Next to Normal*, *If/Then*) and lyrics by Tony nominee Michael Korie (*War Paint*, *Grey Gardens*).
