## A SPARKLING LOVE LETTER TO THE GREATEST CITY IN THE WORLD

It is 1946, the war is over, and a resurgent New York is beginning to rebuild. As steel beams swing overhead, a collection of artists has dreams as big and diverse as the city itself. But do these singers, dancers, musicians, and makers have what it takes to survive this place, let alone to succeed? If they can make it there, they can make it anywhere.

Featuring a rousing new score by the legendary John Kander and Fred Ebb, an original story by David Thompson with Sharon Washington, additional lyrics by Lin-Manuel Miranda, and visionary direction and choreography by Susan Stroman, **NEW YORK, NEW YORK** will carry you right through the very heart of the city that never sleeps. Colton Ryan (*Dear Evan Hansen*) and Anna Uzele (*Six*) star.

This joyous brand-new musical, inspired by the film of the same name, is a spectacular show for a singular city. With a unique blend of dazzling new songs and big band classics ("New York, New York," "The World Goes Round"), this production is destined to become the talk of the town.
