

A NEW MUSICAL POWERED BY THE HITS OF
BRITNEY SPEARS

ONCE UPON A

ONE MORE TIME

**SIX ICONIC PRINCESSES
ONE ROGUE FAIRY GODMOTHER
A NEW KIND OF STORYBOOK
HAPPILY EVER AFTER WILL NEVER BE THE SAME**

The chart-topping hits of the undisputed princess of pop, Britney Spears, merge into a brand-new kind of fairy tale in this heartwarming and hilarious musical adventure about claiming your own happily ever after.

Every fortnight, when our storybook heroines gather for book club, they always discuss the same book, *Grimm's Fairy Tales* — because as far as they know, it's the only book that's ever been written. But once a rogue fairy godmother drops *The Feminine Mystique* into their corseted laps, “happily ever after” will never be the same. It's the ultimate revisionist fairy tale that will make you feel stronger today than yesterday.

ONCE UPON A ONE MORE TIME weaves Britney Spears' anthems, including “Oops I Did It Again,” “Lucky,” “Circus” and “Toxic,” into a “clever and uproarious” (NPR) original story that proves there's more to life than finding a prince.
