SpongeBob SquarePants

Following its hit run in Chicago last year, the pop culture phenomenon, based on the hit Nickelodeon animated series, comes to Broadway! Renowned Steppenwolf director Tina Landau and the ingenious designers behind *Fun Home*, *Hedwig*, and *Spring Awakening* have created Bikini Bottom, bringing the spirit of SpongeBob to life with feeling and sheer theatricality. With an original score from impressive names in pop and rock, including Yolanda Adams, Steven Tyler and Joe Perry of AEROSMITH, Sara Bareilles, John Legend, Lady Antebellum, Cyndi Lauper, and a song by David Bowie, **SpongeBob SquarePants** explodes with energy.

Stakes are higher than ever as SpongeBob and all of Bikini Bottom face the destruction of their undersea world. Bedlam erupts. Lives hang in the balance. And just when all hope seems lost, a most unexpected hero rises up and takes center stage.

Get ready to dive to all-new depths of theatrical innovation at **SpongeBob SquarePants**, where the power of optimism can save the world!

“BEAUTIFULLY VISUALIZED, DELICIOUSLY QUIRKY AND INARGUABLY UNIQUE!”
