

Based on the 2003 film, **SCHOOL OF ROCK – THE MUSICAL** follows a down-on-his-luck wannabe rock star who, needing a job, fakes his way into a substitute teaching position at a prestigious prep school. After realizing his students are musically talented, he forms a rock band of fifth graders to try to win the upcoming Battle of the Bands.

Acclaimed composer Andrew Lloyd Webber (*The Phantom of the Opera*, *Cats*) and lyricist Glenn Slater (*The Little Mermaid*, *Sister Act*) have written new songs to be added to tunes from the movie. Directed by Laurence Conner (*Les Miserables*, *The Phantom of the Opera* North American tour), this musical comedy has been adapted by Julian Fellowes, creator of Downton Abbey.
