

“Maria Friedman’s staging brings Stephen Sondheim’s brilliant, ingenious score fully alive—and with Daniel Radcliffe, Jonathan Groff and Lindsay Mendez as the show’s central trio, it is perfectly cast.”

Following sold-out runs in London and at the New York Theatre Workshop, this highly praised production returns to Broadway starring **Daniel Radcliffe**, **Jonathan Groff** and **Lindsay Mendez**.

Featuring one of **Stephen Sondheim**’s most celebrated and personal scores, **MERRILY WE ROLL ALONG** charts the turbulent relationship between three lifelong friends—composer Franklin Shepard (Groff), writer Mary Flynn (Mendez) and lyricist and playwright Charley Kringas (Radcliffe). This story of how a composer’s idealism and friendships were corrupted by success moves backwards in time, tracing every milestone of their lives for nearly two decades as they navigate success, show business and unbreakable bonds.

With director Maria Friedman’s widely acclaimed production, **MERRILY WE ROLL ALONG** is poised at last to take its place in the pantheon of great American musicals.

“One of the best musicals of the theater season!
Daniel Radcliffe, Jonathan Groff, and Lindsay Mendez triumph
in this intelligent, hilarious, human, heartfelt and alive revival.”
